This is the problem.....

The children of Bunambutye, near Mbale, in Uganda, are mainly orphaned or living with extended families in very poor living conditions.

You can be part of the solution....

Ezra's aim is to improve the living standards of these children by building a primary school and setting up a sponsorship scheme to equip and maintain it.

Sponsorship

£10 a month will pay for a school uniform, learning materials and medical help.

£20 a month will help towards payment of a teacher's salary which is approximately £100 a month.

These are just suggested donations. Any help you can give will be very much appreciated.

Please return the form to Mary Griffiths at the above address.
